

Oct 29/

Dear Mrs Hage:

Just heard  
that they are taking off  
that late bus I've  
been taking home  
on Friday nights -  
Am going to try & see  
if I can get transportation  
home. If not any other way  
I am going to have to  
give up the library -  
Just hate to do this  
but I do have to get  
home on Friday nights  
Its too far for me to walk  
especially in the dark -  
Enjoy the library so much  
as I do hate to give it up -  
I'll see what I can do  
any if I can't get transportation

will see if I can get  
some one to take over.  
Am rather worried  
at this writing but  
keep your fingers crossed  
maybe a miracle will  
happen - Didn't get  
to visit much with you  
Tuesday but was so  
glad to see you even  
though it was such  
a short stay. - Then you  
have a little extra time  
maybe you can stop &  
have dinner with me some  
evening. We'll have more  
pumpkin Pie -

Sincerely. Ruby Stull

Excuse scribbling

Dear Mrs. Stuff,

Your note which came this morning makes me most unhappy! My fingers are crossed so hard, it hurts. I certainly hope you can find some kind of transportation home at night. I can certainly understand, however, that you can't possibly stay on unless you do. Don't ever let me hear of your trying to walk that road at night! I don't suppose there's a taxi in La Claire, either, is there? Is there a bus that goes out earlier in the evening? Say if you closed at 8, or so would it help? You are opening so early in the afternoon now, perhaps something could be done about that - keep the place open until that time on both Tuesday and Friday, if it'd help out your transportation problem.

Keep me informed, please; and if changing the hours will help you in any way, be sure to say so.

Sincerely,

Elizabeth B. Hage
